President's Message

Everything has a challenge, this year is no different.

Welcome to your 74th Esperance and Districts Annual Agricultural Show. We will be blessed with the new Macca Stadium being ready for the Show. This will certainly take some of the pressure off us to find places to put displays or entertainment. We have lost some space in the outdoor trade area which means first in best dressed?

Thank you to the office staff for working hard putting together another Agricultural show and entertainment for everyone to enjoy. We are always looking for volunteers at show time, especially the week leading up to the show 16/17th October.

The displays last year were a credit to everyone, trade indoors and outdoors, especially the competition where you, the entrants, excelled with your work.

Looking forward to having another successful agricultural show this the 74th.

Graham Cooper
President
Esperance & District Agricultural Society

We believe strong regional ports lead to strong regions.

It's why we're shaping a prosperous future where trade and innovation drive economic growth, our communities flourish and our ports remain a source of pride and opportunity.

The afternoon tea tray was prepared by a ladies maid for the lady of the house. Although we have moved on from this in today's society, it is still on the Show schedule as a nod to a by-gone era.

Here is a suggestion of what the tea tray should look like.

A suitable sized tray with doily.

Matching teapot, sugar bowl and milk jug.

Teacup, Saucer and Teaspoon.

Small vase with a flower.

A tea bag in the tea pot
(no water required).

A small plate with 3 pieces of food
(eg: small cake, sandwich or slice).

All pieces should be in proportion to the tray.
